WORD ON THE STREET... INDUSTRY REVIEWS

lenovo® FOR THOSE WHO DO.

WIRED

LENOVO THINKPAD TABLET 2

"This is one streamlined and super-compact tablet. At just 11 mm thick and 1.2 pounds, it's the lightest Windows 8 tablet I've encountered to date…. offering more than ten straight hours of full-screen video playback. One of the most noteworthy additions to the tablet is a stylus giving you a certain level of additional precision when interacting with the touchscreen…"

GADLING

LENOVO TWIST WINDOWS 8 LAPTOP

"The Twist's touch screen is bright, clear and responsive, which is just what you would expect in any notebook from Lenovo…If you're in the market for a new laptop and you're looking to harness the full potential of Windows 8, the Lenovo Twist is a fantastic choice... found the Twist to be a great laptop for the average traveler's needs."
